She has her own little project in her church's office that involves going through old church papers and organize a whole office. She also volunteers in the church's rummage sales by preparing the clothes and items for the shoppers and sometimes she even volunteers her time to help on the actual sale day. There are also other events where she helps out as well.

"I really have a heart for kids and babysit quite often for people in the community and family friends. I believe I was put on this earth to share the good news and love of Jesus Christ, and just to be a light in this world", she stated.

To the question: If you could have dinner with anyone living or deceased, who would you choose? It would be with "Robbie who passed on coming up on 2 years. He was basically like my brother and I would trade anything to see his sweet grin again. Robbie Davis passed away in a car accident, and it will be 2 years on April 21st."

Her favorite quote: "God grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference. -Reinhold Niebuhr
